

Broadstick Fiber Optic Adapters

Broadstick provides Optical Fiber Adapter compliant with TIA 568-C.3-1.

All Broadstick adapters provide a precise fiber connection and it compliants with the Industry standard requirements. These adapters are designed to manage and organize fiber in areas where space is limited.

It can be used to manage cable from outside the facility. The adapters can be used as interconnect or cross-connect in any telecommunications room.

LC Adapters	
LCUSM1A	LC/UPC Single Mode Simplex Adapter
LCUSM2A	LC/UPC Single Mode Duplex Adapter
LCUSM4A	LC/UPC Single Mode Fourfold Adapter
LCUO31A	LC OM3 Simplex Adapter
LCUO42A	LC OM4 Duplex Adapter
LCUO24A	LC OM2 Fourfold Adapter
SC Adapters	
SCUSM1A	SC/UPC Single Mode Simplex Adapter
SCUSM2A	SC/UPC Single Mode Duplex Adapter
SCUSM4A	SC/UPC Single Mode Fourfold Adapter
SCASM1A	SC/APC Single Mode Simplex Adapter
SCASM2A	SC/APC Single Mode Duplex Adapter
SCUSM4A	SCUPC Singel Mode Fourfold Adapter
SCUO31A	SC OM3 Simplex Adapter
SCUO42A	SC OM4 Duplex Adapter

Standards Requirements

All adapters meet or exceed TIA/EIA-568-C.3 requirements requirements:

- MPO: TIA/EIA-604 FOCIS-5 compliant.
- LC: TIA/EIA-604 FOCIS-10 compatible.
- SC: TIA/EIA-604 FOCIS-3 compliant.
- ST: TIA/EIA-604 FOCIS-2 compatible.
- FC: TIA/EIA-604 FOCIS-4 compliant.
- MT-RJ: TIA/EIA-604 FOCIS-12 compliant.
- E-2000: TIA/EIA-604 FOCIS-16 compatible.
